製品安全など Product Safety (general product safety/consumer protection, namely safety of a chair, electrical safety for IT equipment)	Y	USA: "Made in USA" Labeling of Products and Services, Draft Rule, 85 FR 43162, July 2020  Proposed 16 CFR 323 - 325  MUSA Rulemaking, Matter No. P074204	US Federal Trade Commission (FTC)	N/A	N/A	<a href="https://www.ftc.gov/act/enforcement/2020/07/2020-07-26-ftc-2020-12962-act">https://www.ftc.gov/act/enforcement/2020/07/2020-07-26-ftc-2020-12962-act</a>	All consumer goods & textiles	The Federal Trade Commission issued a notice of proposed rulemaking for a Made in USA Labeling Rule. The proposed Rule will apply to product labels making Made in USA and other unqualified U.S. origin claims. It incorporates guidance set forth in the Commission's previous Decisions and Orders and its 1997 Enforcement Policy Statement on U.S. Origin Claims.  The proposed Rule will prohibit marketers from including unqualified Made in USA claims on labels unless: (1) that assembly or processing of the product occurs in the United States; (2) all significant processing that goes into the product occurs in the United States; and (3) all or virtually all ingredients or components of the product are made and sourced in the United States.  The proposed Rule also covers labels making unqualified Made in USA claims appearing in mail order catalogs or mail order	Mandatory	<a href="https://www.federalregister.gov/documents/2020/07/26/2020-12962/made-in-usa-labeling-rule">https://www.federalregister.gov/documents/2020/07/26/2020-12962/made-in-usa-labeling-rule</a>
	Y	16 CFR 1303, Ban of Lead-Containing Paint and Certain Consumer Products Bearing Lead-Containing Paint	Consumer Product Safety Commission		N/A	<a href="https://www.cpsc.gov/Default.aspx?CPSC_Content/News/Press_Releases/2016/12/16/12161203_01.html">https://www.cpsc.gov/Default.aspx?CPSC_Content/News/Press_Releases/2016/12/16/12161203_01.html</a>	Audio-video equipment, Music instruments for school, Home theater-Audio, Synthesizer, Music production tool, Professional audio, Network devices, Unified Communication	All children's products, and some furniture, for adults and children, must not contain a concentration of lead greater than 0.009 percent (90 parts per million) in paint or any similar surface coatings. Household paint must also meet this requirement. Paint or any similar surface coatings for consumer use exceeding 0.009 percent by weight of the total non-volatile content of the paint (90 parts per million) and products specified in 16 CFR §1303.1 that bear such paint or coatings are banned hazardous products.  The following products are exempt as long as they are labeled with specific warnings indicating they contain lead: agricultural and industrial equipment without coatings, building and equipment maintenance products, decorative finished metal, toys and art.	Mandatory	
	Y	The Mercury-Containing and Rechargeable Battery Management Act; Public Law 104-142	United States Environmental Protection Agency	N/A	N/A	N/A	<a href="https://www.epa.gov/mercury/containing-and-rechargeable-battery-management-act-public-law-104-142">https://www.epa.gov/mercury/containing-and-rechargeable-battery-management-act-public-law-104-142</a>	Professional audio, Unified Communication, etc.	An Act to phase out the use of mercury-containing batteries and provide for the recycling of nickel cadmium, small sealed lead-acid batteries, and certain others. The purpose of this Act is to facilitate the efficient recycling or proper disposal of used nickel cadmium rechargeable batteries, used small sealed lead-acid rechargeable batteries, other regulated batteries, and used rechargeable batteries in used consumer products.	Mandatory
